Hughes-Peters acquires Tonar Industries

Hughes-Peters, an Ohio based electronics distributor purchased Tonar Industries, Inc. on July 6, 2020. Tonar Industries, Inc., headquartered in Rockaway, NJ is a single location company and services customers in New York Metro, New Jersey and Eastern Pennsylvania.

This acquisition will expand the Hughes-Peters territory further east and increase their number of branch locations to twelve. This is the fourth acquisition by Hughes-Peters since 2007.

Both companies are IP&E distributors with Value-Added Services that have a philosophy of partnering with customers and pipelining inventory to support their production needs.
