

High Speed USB4™ Connector

ADAM
TECH
INTERCONNECTS

Adam Tech expands its USB series with the addition of the High Speed USB4 Connector. This USB4 connector boasts speeds up to 40Gbps, making it the fastest USB connector in the industry. While it can reach 40Gbps, it is also backwards compatible with the speeds of USB 3.2 and 2.0 Type-C. Other features include two-lane operation with existing USB Type-C cables, multiple data and display protocols, and the ability to simultaneously transfer both audio and video over the same connection.
